Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Friday 29 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain spreads east this evening. Turning dry overnight.

This Evening and Tonight:
A dry start to the evening but rain will spread north across all parts, turning heavy at times with fresh southerly winds. Drier conditions will arrive into the west later. A few mist or fog patches are likely to develop. Minimum temperature 3 deg C (37 deg F).

Saturday:
Rain in the east will quickly clear then mainly dry with sunny spells. A few scattered showers will develop, mainly in the west. Maximum temperature 12 deg C (54 deg F).

Outlook for Sunday to Tuesday:
Unsettled with further spells of heavy rain or showers on Sunday and Monday. Turning somewhat colder with sunshine and a few showers on Tuesday. Windy at times.
